

South Carroll

BUSINESS ASSOCIATION

LUNCHEON SPEAKER

Each month at our luncheon, the SCBA asks a member of our community to speak to attendees about a topic we think would be both informational and helpful. Our speakers is given approximately 20 minutes for your presentation and then may answer any questions the group might have. We ask that your speaking subject matter is NOT to sell a specific product, rather to inform our members on a topic. Speakers are also allowed to display your marketing materials at each luncheon table.

Benefits to speaking at our luncheon include: drawing ‘attention’ to your organization or business; meeting new people and making strong business connections within the SCBA community; and helping others by delivering useful information.

LUNCHEON SPONSOR

One of our SCBA membership opportunities is the option to sponsor a monthly luncheon. This not only allows the SCBA to bring important information to our members, but it allows you to get much more exposure for your own business or organization.

For the cost of \$100, a luncheon sponsor is given approximately 5 minutes to speak about your own business or any topic of your choosing. Sponsors are also allowed to display your marketing materials at each luncheon table.

For more information, or if you would like to speak or sponsor an upcoming SCBA luncheon, please contact Board President and Events Chair, Andie Luchini at aluchini@ccysb.org.
